8LEMENTS

Pronounce as '8-lements'
or simply as 'Elements'

'8' is inspired from our 8 pillars of wellbeing. It also resembles the infinity symbol and speaks of our belief that the wellbeing of self is interconnected the wellbeing of others and nature.

'Elements' reflect our commitment to provide essential and accessible wellbeing products and services.

Together 8LEMENTS is a salutogenic space where one can experience authentic and impactful therapies and practices-where I nurture self and Nature.
